Subject: James Peterson Sons, Inc.: Employees

Sirs: Your crew that is working in Crystal Falls, MI on our new water line has the nicest, most accommodating workers - they go the extra mile to make the inconvenience of construction most tolerable for the local population. Contractors in the area have also commented how easy it is to work with your crew. Your company and workers should be commended.

Beverly Camp  
454 Idlewild Road  
Crystal Falls, MI 49920
