Mr. Jeff Peterson  
Peterson Concrete  
N2251 Gibson Drive  
Medford, WI 54451

Dear Jeff:

I have worked with Peterson Concrete three times over the last few years. The first time was for a small amount of concrete. The last two times were for the use of the conveyor to deliver and backfill rock.

Each time your people were friendly and helpful. They were skilled, fast and efficient. Your concrete has aged very well, and your people are great to work with.

I will continue to work with Peterson Concrete, and recommend Peterson Concrete to anyone who asks. Thanks for providing quality concrete and great service.

Sincerely,
