

James Peterson began this remarkable venture back in the late 1930's with a homemade slusher hauling dirt, pulled by a team of horses. Today we are a 5th generation business. Since 1999, the scope of services has expanded dramatically with the acquisition of Buteyn Excavating and Grading Company, renamed to Buteyn-Peterson Company, Inc. (BPC, Inc.) along with the addition of Lakeland Enterprises in 2005, now the Utility Division of James Peterson Sons, Inc. (JPS, Inc.). As we continue to grow, we still cherish our founder's work ethic and we are committed to leading our industry in honesty, integrity, safety and exceeding our customers expectations.
